Refunding credit from the meter

At any point the remaining credit on the meter can be transferred back to the smartcard. You can then either use the card in another service or return it to the office where the card was issued for a refund. **Please note that credit on the meter can only be transferred to the same Smartcard that issued the credit.**

To Refund Credit from the Meter

1. Press and hold the red button then insert card
2. When the meter displays "b_good" remove the card and release the red button
