

Marina Engineer/Handyman

A great opportunity to work in a lovely location at York Marina has come available!

We are looking for someone with a good work ethic and an all-rounder to come and join our family business. In 2024 York Marina now incorporates a [300 berth marina](#), [Boat Hire](#), [Boat lifting and services](#), [Boats For Sale](#), [Chandlery](#), [Caravan Site](#), [RYA School](#), [Floating Lodges](#) and [The Waterfront Restaurant](#). This role is highly varied due to the seasonality of the business so we are looking for someone who is flexible and happy to get involved with a variety of jobs when required. Immediate start full time. Salary negotiable depending on experience.

Keeping the marina at its best is a full time job. We are ideally looking for someone that has a wide skill set, is hands on with the tools and enjoys working outdoors independently or with a small team. The role is hugely varied and can include everything from changing a light bulb to helping cut the grass to servicing equipment or installing new pontoons. As such we need someone who can turn their hand to different trades from electrical to plumbing etc Must be prepared to work at least one day on a weekend with us being open 7 days a week.

Your duties will include but will not be limited to:

- Primary role alongside colleagues will be maintaining the marina to a 5 star standard
- Boat lifting/launching and chocking ashore
- General Marina Maintenance of pontoons
- Gardening, grass cutting and yard maintenance
- Dealing with Customer enquiries and general customer care
- Plant maintenance and repairs
- Boat Handling/Movements
- Boat cleaning and preparation
- Boat repairs and fault finding
- Toilet block maintenance
- Boat hire cleaning, maintenance and customer handovers
- Re-fuelling boats
- Chandlery shop sales

The ideal candidate would be:

- A personable general handy person that can turn their hand to different skill sets when needed
- A background as an engineer/mechanic/builder/handyman/Welder would be preferable
- Someone who has a knowledge and past experience of boats
- Someone who likes to work predominantly outdoors in all weathers
- Someone who has experience of lifting boats or driving large plant/farm machinery
- A quick learner that can take instruction to do a wide variety of tasks
- Be personable and confident enough to deal with customers
- Have some boating experience and knowledge of boats

The right candidate:

- Will be well organised and be able to integrate with a small team as well as show initiative and work independently.
- Will be thorough to carry out work efficiently and to a high standard
- Have a keen eye for detail
- Will be flexible and be able to multi task
- Will be willing to go that extra mile to do whatever's necessary to improve the marina and customer service
- Must be available to work at least one day on a weekend and provide holiday cover
